

As president of the "18th World Kung Fu Wushu Championship" I have the pleasure and the honour to welcome all the athletes, masters, coaches and people coming here on the occasion of this great sporting event in order to meet and compare each other for the three days of the tournament. Love for martial arts has gathered here hundreds of supporters from all over the world communicating a great enthusiasm to those who, just like me, since a short time got closer to this thousand-year-old discipline.

A special thanks to all the people who made possible the realization of the "18th World Kung Fu Wushu Championship": organizers, staff and referees and all those who are here today to support this important event with their passion.

With my best wishes, I declare opened the "18th World Kung Fu Wushu Championship."

18th World Kung Fu Wushu Championship
The President
Dr. Giorgio Delicati
